# **PET DETECTIVES**

Every year, thousands of pets are lost or stolen, leaving their owners devastated and with no one to turn to. But don't worry... the Pet Detectives are now on the case! In this heart-warming factual entertainment format, which is based on a real-life global trend, a team of pet-finding specialists focus on the first 24-hours after a pet goes missing to try to bring them home. In each episode we follow three different stories, packed with drama and emotion. Using real life crime-solving methods, the team will search for the missing pet, but will there be a happy reunion?
